ASC SUB-COMMITTEE REPORTS:

Activities: none
FRCNA Support: none
Helpline: none

Hospitals & Institutions: Hospitals and institutions met at 2202 East Busch Boulevard at 12:00 on October 10th. We had three new members in attendance. We ran 62 out of 65 presentations. We voted three members on to panels. Created a motion for me to run a third term as chairperson, the motion passed. All members of hospitals and institutions thank you for allowing us to be of service to the sick and suffering addict

Information Technology Resource (ITR): Hello, my name is Paul and I am a recovering addict serving as your ITR Coordinator. The Oct. 4th committee meeting was held on Google Meet. The agenda was the open topics carried over from September.

Website. We had two incidents in September. On the 18th a routine clean-up removed 29 pages, and on the 21st the front page was replaced with content from 2017. Both were recovered the same day from backups. Nothing was lost and the meeting list never went down. Neither was an attack; in both cases the software did what it was built to do without asking first. We have added automatic checks that watch for that kind of failure. Our stated online privacy and security policy did not match what was actually running on the website, so I changed the statement to neutral wording until the committee has reviewed the policy.

Facebook page. Two concerns were raised: requests for rides being posted to the Funcoast Area page, and members' full names being posted. For each I reviewed current Funcoast, Regional and NA World Services policy and looked at how other areas and regions handle it, and prepared informational pages for the committee's discussion.

Policy review. The committee will be reviewing our ITR policy so that roles, responsibilities and written policy line up with what is actually being done.

Access to our systems. The access problems I reported last month are resolved. With our former Coordinator's help the accounts were reset, and I now hold them under my own password with two-factor sign-in.

Budget. We reviewed our budget and set the budget for 2027. The motion is submitted today: $1,200, Cloud Storage $250, and a new line, Editing Software for flyers, $240. Web Design and QR Codes are removed. We plan to use Canva, which offers its service free to 501(c)(3) organizations, so the editing line may go unspent.

Hybrid meeting. At the Vice Chair's request I spoke with the GSR of the Funcoast Online NA group, who wants to attend Area in a hybrid Zoom setup, and coordinated that for today's meeting.

The weekend after our last Area meeting I also spent the day at the Regional service meeting, working with the Regional ITRC to help run their hybrid meeting. Our next committee meeting is posted on the website for Nov. 1st, 11:30 AM - 1:00 PM. Meeting change requests and event flyers can be submitted through Area or emailed to funcoastitr@tampa-na.org. Thank you for allowing me to serve. Paul E.

Policy: The Policy Committee met today. We continued to go over our current ASC Policy. We began on page 14, Board of Directors Member at Large. We also met on October 3 rd , since we felt we needed additional time to go through our ASC Policy. We have decided to add another meeting on Saturday, November 21 st , at 10:00am, address is: 1504 E Bearss Ave. Again, all are welcome! Our next Policy meeting is on 11/14/2026 at 11:30 am. ILS Aida S

Public Information: Sept 24th Public Relations Public Service Announcement at Root Awakening Farms 5-8 and were able to share a few IP's and talk with several people. Sai and I met and went over the budget on the phone on 10/9. Today at 1:30 we met for P.R. and went over some of the ways P.R. does Public Service Announcements.

ANNOUNCEMENTS: Deb C. - Nov 7th Womens Hope Spaghetti Dinner., Joel B. - Holiday Gift items available at RSO

RECESS: (10 Minutes)
