If your group has elected a new GSR or if you did not receive your minutes this month please update the contact list. Please indicate whether you want your minutes **MAILED, EMAILED or NOT** Mailed in the far right column of the contact sheet. This is to insure that your group receives their minutes in a timely fashion. If you are a new Subcommittee Chair please be

sure to update the contact sheet as well. For all members of the ASC who give reports that are included in the ASC monthly minutes I am requesting that you submit these reports typed you can submit the report on the day of area service by memory stick or you can email the report to me by the Wednesday following Area Service. My email address is dan.netto@yahoo.com

Located on the table to my left, there are event flyers, literature order forms, GSR report forms, and meeting schedule change forms as well as a box for the GSR reports to be submitted. All meeting changes such as time or location can be put in the GSR report box as well. GSR/Alt GSR must fill out a meeting schedule change form so that it can be updated on the meeting schedules and on our website. If you have a Motion Request form to turn in, it must be turned in before we discuss today's New Business or you will have to wait until the next ASC meeting for the new motion to be read on the floor.

\$186.70 was spent on printing and mailing of Area Minutes, Literature Order Forms and GSR Reports.

At today's GSR Orientation there was one in attendance. Please be sure to announce the GSR Orientation to all your groups.

According to page 17 of our Policy under removal from the meeting schedule, "If there has not been a representative of the group present for four (4) consecutive ASCs, a group will be removed from the Tampa Funcoast Meeting Schedule. While a group is not required to be a voting member of ASC to be placed on the Tampa Funcoast Meeting Schedule, a representative (not necessary a GSR) must be present for ASC roll call. This ensures that meetings that no longer exist are not placed on the schedule"; therefore, the following groups have been removed from the meeting schedule, attendance and the mailing of minutes due to 4 or more absences or have closed: 11 Alive, Addict Salvation, Women of Freedom "If a group has been removed from the Tampa Funcoast Meeting Schedule, it may be placed back on the list by sending a representative to ASC. At ASC, they should notify the Public Relations and Helpline Chairperson that they would like to be added to the next publication of the schedule."

According to page 17 of our Policy under becoming a voting group and scheduled meeting, "3. To maintain voting status, a group must not miss two consecutive ASC meetings. 4. The group will be removed from the mailing list after missing 2 consecutive ASC meetings. 5. To re-establish voting status, a GSR (or alternate) must attend two consecutive ASC meetings." Due to missing 2 or more ASC meetings the following groups are excluded from voting today: Fresh Start, NA Speaker Meeting, Primary Purpose, The Women's Recovery Room, Women of Freedom. Remember you must be present for both roll calls in order to be considered present. If you do not hear your group called you may have been removed from attendance due to absences, please see me during the break.

Quorum is set at 31 with 61 eligible voting groups in the area at this time.

Your group cards can now be picked up at the front door when you enter.

If you have any questions, feel free to ask me during the break or after the close of business today. Please do not come up to me during area, as I will not be available to answer questions at that time. Thank you again for allowing me to serve.

SUBCOMMITTEE REPORTS

Activities:

Hi, my name is Anna and I'm an addict. As acting Activities Chair I will be submitting the new Activity Budget. Just to clarify, since there were so many questions on the previous budget submission, the budget for 2012 was \$6690. The committee spent \$4253.09. Donations back to area were \$3024.01. I left the 2013 budget the same as 2012 at \$6690.

The next event in current planning stage is New Year's Eve. In the year of a Convention, Activities typically works with the Convention Committee on events. I will be speaking with the Convention Chair to see if they need assistance with upcoming events.

ILS, Anna M

Helpline:

Hello Family, My name is Kandi I'm an addict, After some praying and talking with my sponsor I have decided to step down from help-line chair. There have been some changes in my life and some personal reasons that have led me to this decision. It has been an amazing experience and privilege to chair help-line for the past year and a half. Our sub-committee does have someone that they are ready to nominate in my place and ready to be help-line chair. We also had our vice-chair Terri E. step down. Her position was filled by Chris M. at our last meeting. We had approximately 15 members at our subcommittee meeting.

2. The following is a summary of the calls we had over the past 30 days:

3. The Chair and Vice chair submitted their resignations. The committee nominated Aris R. as chair, Chris M. as Vice Chair, and Ashli C. as Phone Coordinator. Accordingly, the subcommittee submits these recommendations to the ASC for ratification.

4. In conjunction with PR, a PSA has been running on Brighthouse and we anticipate an increase in the call volume. Therefore, we are actively seeking to increase our number of volunteers on the subcommittee.

In Loving Service

H&I:

Prayer. Opened with Serenity Prayer, read 12 Concepts, stated primary purpose. Approx. 25 members in attendance. 6 new attendees.

Sec. report: No cost of printing this month. Josie stated that she may be stepping down as secretary in August due to time constraints when attending nursing school.

Chair report: I was contacted by staff at Turning Point of Tampa about possibly bringing an H & I panel into the detox center at that facility. I talked to Ashley N. and she is aware of our shortage of H & I members and our current situation regarding participation at some of the facilities we carry panels into. I informed her of the proper procedures we must follow in order for our subcommittee to move forward with this inquiry/request.

Panel coord. report: Jay was not present, but he did conduct the make-up business meeting last month, and he did submit a brief report regarding an upcoming event at the Hillsborough County Sheriff's Office/Orient Road Jail. He will be in attendance at the coordinator's meeting on 06/14/13 to observe and determine what may lie ahead for N.A. and the jails.

Concerns: No panel report was given for two consecutive months at acts Juvenile Friday night. A panel member was present at the subcommittee meeting and did state that 3 of the last 4 meetings were carried last month. There was a staff change at the facility and Joel B (clinical adviser of the Transitional Team) informed us that they were unaware as to whether or not N.A. was bringing a meeting into that facility. The issue was clarified by the present member (Josh P.) of that particular panel.

Panel leader reports: No report for acts Juvenile Friday night and Amethyst Respite Center.

Old business: Motion to end book drive passed. We have a total of 60 books. 10 Basic Texts will be donated to Behind the Walls, and the rest will be divided up between the 9 facilities we carry panels into. Behind the Walls is looking for N.A. members to sponsor inmates via letter writing. The Florida RSO has created guidelines for persons sponsoring inmates through Behind the Walls and has suggested local areas to form adhoc committees to create area guidelines for this project.

Elections: Amanda M. voted on as panel member for acts Adult Detox Monday night. Lisa S. voted on as panel member for DACCO R1.

New business: acts Adult Detox is interested in H & I possibly bringing another panel into that facility on Thursday night. Roy A. stepped down from H & I and thanked the body for allowing him to serve. Closed with Serenity Prayer. ILS, Dave L.

Old Business

Last month, we were in attendance at Health and Wellness day, which was hosted by Operation R.E.S.T.O.R.E. There were 3 PR members in attendance to speak with anyone that had questions about our fellowship. We hope to be invited again next year. Next, our Public Service Announcement began airing on June 3rd and will run through June 16th. I received a report from our Helpline subcommittee that on the first day alone, call volume for a single day was the equivalent to that of an entire week. Many thanks go out to our counterparts in the Bay and surrounding areas who put forth this effort.

Lastly, in old business, we printed an informative flyer for our subcommittee to distribute to GSRs in the hopes that our members might be more aware about the importance of Public Relations and be given another option for service to Narcotics Anonymous. Also, Poster Hanging day will be on June 15th at 9am. Please meet us at the Starbucks at Azele and Dale Mabry. One of our members reported that someone found Narcotics Anonymous because of one of our posters. We know it works, so please help us.

New Business

First in new business, we chose a project lead to get our recently published book, Living Clean: The Journey Continues, into Public Libraries. Next, we discussed some revision to the Tampa Funcoast Area website to adapt it to more up-to-date standards using responsive design techniques. This will increase readability on mobile devices and make the site more user-friendly. Lastly, we discussed the placement of another literature rack to make our literature more available to those who might benefit from it.

The various subcommittees met to continue finalizing details FRCNA is fast approaching. Registration is \$35. Phone registrations accepted until June 15th. **WE NEED TO SELL ROOM NIGHTS!!** We have not met our room block. If you have not yet registered for the hotel please do so **SOON** and encourage others to do the same. FRCNA has to pay for the rooms we blocked so please don't consider staying somewhere else that may seem cheaper. There really is no "next door hotel" anyway. Cutoff date for hotel registration at the event rate of \$124 is June 12th. After that, the price goes up dramatically! You don't need to pay the full amount to reserve your room – you pay at checkout. Some have said that the hotel will provide a small refrigerator upon requests – you would have to check that with them. There is a parking fee for the hotel. Addicts can sign up on-line at the link below to work shifts for Marathon meetings, Merchandise room, Hospitality room, Registration, Serenity Keeper, and Greeter. Please consider signing up for service work during the convention and encourage your sponsee's to do the same.

Treasurer's Report:

The deposit for May income of \$3,347.04 was reduced by Bank of America by \$432 down to \$2,915.04. The bank correction notice indicated that the differences were in the currency count. When I received the notice last week, I contacted the Bank and initiated a Service Request, #1281-6562-88682, to dispute the difference. In the conversation with the bank, our currency amounts line by line were compared to the bank records and the differences were documented in the Bank's notes. The next step in the dispute process is the completion and signing of a form at a branch which I intend to do next Monday, June 10. The bank advised me that the dispute process would take approximately 5 days, so based on that time frame; we should have an answer the week ending June 15th.

Regional Business

Regional Proposal Number 1 – 05 – 13

The following is a proposal being submitted on the RSC floor May 19, 2013.

Motion #2-04-14-13: to submit the following proposal for inclusion to the CAR 2014 report at region in April.

Proposal: to place a moratorium of at least one full conference cycle, on funding and implementation of the service system project proposal, as well as any efforts to put into effect, a transition plan for implementation. This moratorium would be used by the Fellowship, to our current service structure, to learn about and explore alternative means of addressing the issues that led to the creation of the SSP by the 2008 world service conference participants, i.e. the apathy and indifference of our members in addition to finding ways to improve service delivery.

Intent: to provide the time and opportunity for our Fellowship to study all implications, pros and cons, contained in the SSP and how its implementation would affect groups, areas and regions locally, as this is the only way in which groups would be able to view and understand the SSP. To allow for continued growth of the global Fellowship using group conscience, a means by which the local groups, areas and regions gather the conscious of their members, as the primary method for service related decisions.

Rationale: A true group conscious is a fully informed group conscience. It has become apparent that many members of the Fellowship, who have been involved in service efforts, have not been properly informed about the SSP. Many in our Fellowship do not even know of the SSP's existence. For our Fellowship to have such drastic changes decided and put in place at the next conference, would be a disservice. If groups, areas and regions determine they wish to implement portions of the SSP, there is nothing prohibiting them from doing so within our current service structure, therefore a moratorium would not hinder groups, areas or regions that are testing portions of the SSP. The traditions are the ties that bind us together, to disregard them has caused disunity. Final authority and autonomy resides within the NA groups. It does not serve our Fellowship to ignore or override our nonnegotiable Traditions. We will continue to learn, grow and evolve by respecting and following our Traditions. To do otherwise, would be to ignore or discount the hard-won experience that gave birth to the Traditions in the spiritual principles upon which this program rests.
