New Business

Motion #2018-18P

Maker: Recovery Central Second: NA 180

Motion: To change RCM responsibilities (p. 11, #4) from "more than 80 miles" to reserve hotel

rooms to "more than 50 miles."

Intent: 80 miles at an average of 60 miles per hour equals 1.3 hours each way. This requires the RCMs to leave Tampa by 7:30 a.m. to get to the Regional Service Committee meeting by the 9:00 a.m. start time on both Saturday and Sunday and to drive 1-1/2 hours home after attending the Regional Service Committee meetings, all day, Saturday and Sunday (these meetings are typically from 9am to 5pm both days).

Action: To Groups for questions (October and November) and Policy Subcommittee (October)

for review.

Yes: N/A No: N/A

Motion #2018-19P

Maker: Recovery Central Second: NA 180

Motion: To change RCM responsibilities (p. 11, #4) from "miles from the Tampa Funcoast Area, with the starting point being the ASC location," to "miles from the RCM's home."

Intent: If we are setting a distance limit, it should reflect the actual distance the RCMs must

travel.

Action: To Groups for questions (October and November) and Policy Subcommittee (October) for review.

Yes: N/A No: N/A

Motion #2018-20P

Maker: Recovery Central Second: NA 180

Motion: To change RCM responsibilities (p. 11, #7) from "RSC exceeds 80 miles" for reimbursement of mileage to "RSC exceeds 30 miles."

Intent: A 30-mile distance equals 60 miles round trip and with gasoline costing close to \$3 per gallon it is a significant expense.

Action: To Groups for questions (October and November) and Policy Subcommittee (October)

for review.

Yes: N/A No: N/A

Motion #2018-21P

Maker: Recovery Central Second: NA 180

Motion: To change the reimbursement rate (under RCM responsibilities, p.11, #7) from "determined by the current IRS federal reimbursement rate" to "determined to be ½ of the current

IRS federal reimbursement rate."

Intent: Financial responsibility. Five trips to the Regional Service Committee meeting in one year does not put enough "wear and tear" on a vehicle for ASC to pay for vehicle maintenance. Half the rate more than pays for gas with a little extra toward minor wear on the vehicle. Example: 160 miles round trip to Orlando, FL at 54.5 cents per mile equals \$87.20 to pay the RCMs. At 15 miles per gallon, estimated at \$3 per gallon equals approximately \$32 for the actual cost of gas. Therefore, the RCM will be receiving \$55 extra!

Action: To Groups for questions (October and November) and Policy Subcommittee (October) for review.

Yes: N/A No: N/A

Motion #2018-22P Maker: H&I Subcommittee Second: Living the Program

Motion: Change Policy, pg. 9, #4, under "responsibilities of the ASC Treasurer." Add

"Literature to support current H&I Panels" into these financial priorities list. We propose item D,

after C. "Rent for ASC meeting.

Intent: Provide ASC financial support to H&I Subcommittee during times of ASC shortage of

funds.

Action: To Groups for questions (October and November) and Policy Subcommittee (October)

for review.

Yes: N/A No: N/A

Maker: Technology Resource Coordinator.

Proposal: Add a Technology Alternate Coordinator position to the FL Regional Fellowship Development Team. Intent: Establish an assistant and training role for the Technology Resource Coordinator position so the alternate is better suited to take over the Resource Coordinator position. This would allow the Alternate Resource Coordinator to become adapted to the technology implemented by the FRSC and the demands of Resource Coordinator position.

Spiritual impact: Will allow the alternate to be fully prepared to acclimate to the Technology resource Coordinator and be as successful as possible from the start in serving FRSC to the best of their ability.

Financial impact: \$189 per RSC x 6 = \$1,134 per year

Guide to FL Regional Service changes: Yes. To add the following description after the Technology Resource Coordinator Section: Technology Alternate Resource Coordinator Purpose. The Technology Alternate Resource Coordinator is to be in training to acclimate to the Technology Resource Coordinator position.

Function: To help the Technology Resource coordinator fulfill the duties and responsibilities of that positions.

To learn the responsibilities of the Technology Resource Coordinator position and become familiar with the technology used by FRSC to be best suited to take over the position. Additional Qualifications and Responsibilities: Works closely with the Technology Resource Coordinator. Performs all duties and has all responsibilities of the Resource Coordinator in their absence. Outcome: Table to groups.

04/09/18 Maker: HRP

Proposal: Clarify elections processes that have recently caused confusion and conflict.

Intent: Rationale: The purpose of the HRP/Human Resource Panel is to assure the RSC that we are honoring the 4th Concept: Effective leadership is highly valued in NA. Leadership qualities should be carefully considered when selecting trusted servants. The trust necessary to confidently delegate authority is founded on the careful selection of trusted servants. Leadership is very important to the welfare of our fellowship. True, our leaders are but trusted servants, not governors; yet we also expect them to lead us. If we select them carefully, we can confidently allow them to do so. The HRP protects confidentiality through the integrity of its member and the use of a separate database accessed only by HRP members. Passwords are changed whenever there is a change to the membership. The HRP reviews each candidate's knowledge, skills and abilities so that the RSC can be assured that all candidates have been carefully considered. Recently, there have been some controversial elections. This proposal will rewrite a portion of the GTFRS that will make the election process clear. Spiritual impact: Clarification of this part of the Guide fosters unity and reinforces the principles in the 4th Concept. No conflict with Traditions, Concepts or Principles. As the RCMs control the process because they initiate the election process, must second any nominations and are the voting members of the RSC. In addition, because the Guide is a mandate from the Groups on how we are to conduct business, we are respecting the 2nd Concept.

Financial impact: None.

Guide to FL Regional Service changes: None given.

Outcome: Table to groups.
