Absentee Letters to the Area:

Activities Chair:

Dear ASC,

I would like to apologize for my absence today. I have a serious personal matter that just came up this morning and it requires immediate attention. This was so last minute I was unable to find anyone to fill in for me. I will say that activities committee is working on an event for Labor Day. Also, thank you for all who attended the Karaoke/Talent Show. It was a huge success. I will make sure I am in attendance for our next ASC. Once again, I apologize for my absence

RCM #1:

Hello ASC Body, I am sorry to let you know that I won't be there today. Iris mandatory for me to work. I love my commitment and representing it at Region. Thank you for letting me serve, Amy M

From H&I Chair:

Hello Tampa Funcoast ASC!

Please excuse my absence today. As this meeting begins, I am driving somewhere in Illinois.

On the way to deliver my youngest daughter to the University of Illinois College of Veterinary Medicine. Definitely one of the gifts of recovery!

Also - as it happens, our H&I Vice Chair is not available to attend ASC today. Our designated representative for the H&I subcommittee will be our Recording Secretary, Saahir C.

I am Grateful for you all and my recovery!

With Love in Service, J.W. Hayes

LDO: Chair Robert - Given by Robert

Hi everyone...

Our trusted volunteers this month was
Frank M, our alt (Robert F) and myself

Please note the following information :

It has been brought to my attention that there is no spot on the order form to order
18 months or the Infinitely Medallions.

Please remember that the first column on the order form is for Spanish ITEMS only,
If the box is xxxxx out it is not available.

I recently figured out if you order a custom laser medallion... There is an additional shipping charge of \$ 7.60
from the Regional Service Office to ship this item back to our area from the vendor once they receive it. This
happens because we order the week after area on a Monday, usually to allow time to get the order shipped,
go through it.. and allow some time for back orders from RSO to be shipped in time before the next ASC. The
vendor will not ship direct to the LDO. This cost is not actually listed on the RSO forms. The RSO told me that
the person that created that software for the order form long ago, actually locked it and is no longer with the
RSO for quite a while so they cannot edit the form.

GSR's please REMEMBER it is YOUR responsibility to communicate through the home group to know if you have
a back order to pick up... not ours..

We will be asking to put a motion on the floor to put items not picked up by the Fourth month, the item will be
put back into ASC inventory.

We do try to keep track... but we usually have 50 orders or more plus your back orders on a table (or in a box
because it wasn't picked up) and it is fast paced to distribute the orders out and the end of ASC.

Please remember to wait in the hall for your order after asc.. UNLESS you are asked to come in. This is to keep
consistency in what we do and to better serve you and the fellowship.

If I missed something please bring it to our attention

Thank you ILS your LDO

Policy Report: Chair: Meagan M. - Given by Megan M.

Policy met today at noon, there were no motions that needed to be discussed. We did have some topics for clarification. Mainly how quorum and voting works according to our policy. Which is that quorum is figured out before area service based on the current eligible voting groups in the area. Quorum will never change during area itself. We also discussed the impeachment process of elected chairs. What our policy states are reasons for impeachment and who has the ability to start that process. We also discussed some housekeeping issues from past motions that changed policy but were not changed in policy. A working policy will be kept up to date on a google drive, that will be shared with PR, to ensure that the policy on the website is the latest version. We did also discuss that the subcommittee guidelines are not currently on the website yet.

How do you determine quorum? Explained in the ASC_Policy manual.

250 NA Business card Labels were created. We need to determine the legality of putting them up in the community. This would entail asking the proprietor or business/agency owner/manager if we can put the labels up in their establishment. We can present it to the area and see if the groups will distribute or we can do it as a subcommittee. We asked Helpline if they would consider asking callers how they heard about us to determine if people are seeing the stickers. We will begin putting stickers up as a pilot project. We will note the address where the labels were put up so as not to duplicate efforts.

Floating Meeting - we will create a roster of members willing to participate. The roster should indicate what days and times the member is available to take a meeting. We can give these to the home groups so they can ask their members to sign up and bring it back to us to create a master roster.

Reminders:

- We strongly encourage groups to submit their literature payments and donations in Money Orders (or checks in group account names). Note that it is against policy to accept personal checks. However, if cash is utilized, kindly provide larger bills.

If your group has a check/money order, please place the Literature Order/payment on the table and these orders will be completed first. You do not have to stand in line. Please be sure the payment is attached.

- Remember to pick up your receipt - this is your record of your order.
- If you or your group has questions, you can contact me at treasurer@tampa-na.org.

Thank you,

ILS Aida W

Questions: What is the PR annual budget? Treasurer does not have that info. (This information was provided to Mark, in detail, prior to ASC closing.)
