SECRETARY REPORT:

If I missed anything in this month's minutes or need to make corrections, please let me know. The treasurer's Report was sent out as a separate file, as the August 2023 instead of the November 2023 Donations page was accidently submitted. The minutes on the website were corrected at the same time as the corrected email was sent out.

Located on the back table are several important forms:

- The Contact Sheet is for updates only so we have an accurate Contact list so we can email the groups and other trusted servants the minutes or any other pertinent information. Please print clearly.

- Please use Sign-in sheet to sign in.
- Use Meeting Change Forms so we can accurately update the meeting schedule. Accurate meeting information, especially mask requirements, are important so we have the correct information on the website.
- Motions Forms – New motions must be turned in by New Business to be heard today.
- Anniversaries' Forms are also available so we can celebrate individual's anniversaries on the Tampa Funcoast Facebook page.

Please email all reports to funcoastservice@gmail.com by Saturday December 16th, 2023, so we can have ample time to review the minutes for accuracy before they are mailed.

RCM REPORT:

RCM Report 12/9/2023

- FRSC met on November 17-19, 2023
- Tampa Funcoast RCMs 1&2 were in attendance
- The next FRSC will be on January 19-21, 2024

Area Support (Saturday)

Topics Discussed (topics in bold print brought by the Tampa Funcoast):

- How should a homegroup deal with an overdose at their meetings, how should they handle it, and should they keep Narcan at meetings?
- What happens when area members are not consistently showing up and standing up for needed area positions. What is the limit to what a vice chair can fill in for at ASC?
- How can we make more service more attractive?
- How to deal with older members who are very argumentative - not attractive - causing others to step away.
- Criminal Justice Volunteer Coordination in NA
- **Possibility of having an Interim GSR Assembly.**
- **Membership is feeling a growing disconnect between the Areas and the Regional Service Body in the decision making process.**
- **Do we have an updated election schedule for FRSC, FRC Board, and RSO Board?**
- How to address the landlord coming into meetings and making announcements that are not NA related?
- Handling Facility Requests for "guarantees" that meetings are "drug-free."

Fellowship Development (Saturday)

- **This conference IDT was on the topic of "Disruptive and Predatory Behavior"** and how it was chosen as part of the worldwide NA survey over all other pieces of literature to be worked on.

This areas of discussion included were:

- Examples of Disruptive or Predatory Behavior.
- Members' Responsibilities.
- Group and Service Body Responsibilities.
- Additional Considerations including Resource Development by NAWs and Addressing All Forms of Predatory Behavior.
- Solution Strategies.
- We have a handout and topic aimed at encouraging NA groups to proactively address disruptive and predatory behaviors, grounding their approach in the principles of recovery and mutual support.

The next IDTs will be “Reimagining, Revitalizing Service Committees” and “DRT/MAT as It Relates to NA.” We plan on doing any IDTs that are available in January, in the morningso please try to arrive early so that you can participate. We start around 10 a.m.

Guide Meeting (Saturday)

Proposals (Old Business):

- **Four proposals on term length** for Facilitator, Co-facilitator, FD Leader, and FD Co-leader. The conscience of the room was to lay it to the side for Fellowship Development in January. Stand aside concerns were that no new information would be received in January FD.

Proposals (New Business):

- **2023-11-01**

Maker: Roger S.(RSO Board President)

Proposal: Change order of business to have RSO and FRC BOARD to give reports at the beginning of the day.

Intent: As we attend the entire weekend we are more spiritually fit at the beginning of RSC Sunday.

Outcome: The proposal maker was not present at the Guide Meeting to speak to the proposal. Vote taken on the RSC Floor to send back to the January GTFRS meeting. The proposal maker is requested to be in attendance. The FRC board stated they did not wish to be included in this. Subsequently, this was removed from the floor and sent back to the maker.

- **2023-11-02**

Maker: Coquina Coast Area

Proposal: To update the Florida Regional Guide to Service to include that "any proposals making changes to the guide to service be sent back to areas for deliberation."

Intent: To drive accountability for decisions to the individual ASCs.

Outcome: Maker retracted the proposal from the floor with the agreement of the RCMs.

FRSC Business (Sunday)

- We are forming an IT panel to assist the IT resource coordinator and allow more members to be involved.

- Jennifer S.R. from River Coast Area was elected as the HRP Leader, Kristi F. from the Bay Area is the Guide, Allen R. from the Bay Area is Panel Member 1, and Dixie M. from Daytona is Panel Member 2.
- Treasurer - Read a letter to the RSC body saying she has to resign from her position after the March RSC as she is moving out of state. My last region will be in March 2024.
- We have distributed announcements about the **Florida Service Symposium on March 14-17, 2024. Please note this is the *3rd* weekend in March, and located in the Tampa FunCoast area.**
- We currently have a new Group Booklet that includes virtual meetings and it is available through the RSO.

● **RSO Report:** We have a status update on the theft of the special worker from a few years back. Darla had stopped paying her monthly obligation and we contacted the prosecutor's office and probation officer. Both were unaware of the stopping of payments. The PO contacted Darla and she has gone on disability being the reason she stopped paying in February. Our board member (a lawyer) contacted the prosecutor's office and one of his partners gave us the 'Law' on how to resolve this. The court's history is in favor of the defendant and we would incur too great of an expense to remediate this loss of approximately \$50,000.

There is more information on this, and everything discussed in this report. The FRSC Minutes are available at www.naflorida.org

PUBLIC RELATIONS: NO REPORT SUBMITTED

AD HOC – 501(c3) Good afternoon GSR's,

The 501c3 Adhoc committee is on standby and remains committed to serving the needs of the groups once they decide how we are to proceed.

As Chair of the Adhoc, I was asked to attend an emergency Admin meeting that was called to discuss the Square account formerly used to process credit card transactions, such as convention registrations.

The former account was in the name of a member and is no longer available to the area. Unfortunately, there is not a path to a Square account that does not require a Tax Id.

Our inability to open a Square account is another example of how an established entity and subsequent 501c3 tax status can aid our area in having an online presence to conduct our business.

ILS,
Danielle C.
