LDO REPORT: My name is Jerad and I'm an addict. I am still waiting on a medallion for Squeaky Clean from the RSO. They needed to order it from World. I should have it next month. Recently I did a count on the inventory we have as an area. What I would like to keep on hand is in last month's minutes. We are well stocked on everything. I placed a large order to replenish inventory this month. I still have plenty of soft cover Basic Texts if anyone would like to donate to the H&I book drive that is still going on. Last thing would be to please not come up to the literature table all at once at the end of area. There's only two of us and it gets a little chaotic. Thank you for letting me serve the Funcoast Area.

There will also need to be time for each Admin unit/department to introduce themselves, their functions, etc. PR has had a booth in the past, so the other Resource Coordinators might want to do something similar. + Fellowship Development: Roberts Rule of Order presentation.
